Power for Effective Law Enforcement

Officers with good character are essential for building community trust. The Police Dynamics video series will show you how to deal effectively with the many challenges facing today's law enforcement agencies.

Series One Videos

Coactivity **Restoration**
Character **Strongholds**
Authority **Relationships**

Filled with real-life scenarios, on-the-job illustrations, and dynamic concepts that can strengthen any police force, you will learn how to shift the focus of police work from randomly handling calls to effectively solving problems.

Series 1 (6 videos) \$695 (1335)

Series Two Videos

Discretion **Compliance**
Jurisdiction **Expectations**

Discover four more exciting dynamics that will change your understanding of policing. Utilized properly, this four-tape series presented by Sheriff Ray Nash will greatly benefit your department!

Series 2 (4 videos) \$495 (1338)

Companion Workbook

This workbook, exclusively designed for use with Series 1 and 2 of *Police Dynamics*, will help every officer in your department remember the vital principles taught during the training.

Workbook \$5 (1337)

Sheriff Ray Nash, president and founder of the Police Dynamics Institute, presents this two-set series on dynamics—concepts that play a large role in determining the success of law enforcement officers.
